Electric Supply Product Summary: Malden Standard *From Malden Community Electricity*

You will receive an electric supply product from Malden Community Electricity. Your electric utility will continue to deliver the electricity you use to your home.

Price	13.758 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.
Term	The above price will remain constant from enrollment to December 2027.
Early Cancellation Fee	There is no cancellation fee. You may leave this product at any time after you have enrolled with no fee or penalty.
Automatic Renewal	You will be automatically enrolled at a new price at the end of the contract term unless you inform the City otherwise. The new price may be higher or lower than the existing price and the voluntary renewable energy content may change. The City will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
Renewable Energy Content	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 62% renewable energy resources in 2024, 63% in 2025, 69% in 2026 and 75% in 2027. This product includes 72% renewable energy resources in 2024, 73% in 2025, 79% in 2026 and 85% in 2027, amounts that exceed the minimum requirement.
Recission Period	If you received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt-out and not be enrolled. You may leave this product at any time after you have enrolled with no fee or penalty.
Competitive Supplier Information	Malden Community Electricity is a Program of the City of Malden: MaldenCommunityElectricity.com. The Program is served by Dynegy Energy Services, LLC , DPU license number: CS-166, (866) 220-5696, http://www.dynegy.com . Dynegy Energy Services is only responsible for the electric generation portion of your bill.
Electric Utility Information	National Grid will continue to deliver the electricity that you use in your home and is responsible for the delivery charges that appear on your monthly bill. If you have questions about the delivery portion of your bill, contact National Grid at (800) 322-3223, or by visiting its website at NationalGrid.com .
The Massachusetts Department of Public Utilities recommends that consumers visit the Energy Switch website to view the broad range of available electric supply products, including your electric utility's basic service price. You can visit the website at http://energyswitchma.gov .
